## THE SAHIB ROOM & *Kipling* BAR

Born from the lavish and vintage decadence of the colonial era, The Sahib Room boasts robust Indian delicacies and flavours. Leading into the restaurant is the aptly named 'Kipling Bar', inspired by the iconic writer and philosopher Rudyard Kipling. Here talented mixologists showcase the craft of fusing classic libations with Indian spices.

Venetian mirrors, gilt, brocade, Osler chandeliers and rich upholstery evoke a sense of European formality. A hint of modernity is infused in the design through a play of colours making the restaurant and bar appear as an eclectic living room from the bygone era.
